Cours fees

The course is given per year, or per semester, according to the school calendar. It includes a fixed number of 18 lessons or 9 lessons per semester depending on the subscription chosen. There are no lessons during school holidays or on public holidays.

The contract includes a fixed price, which is based on the duration of the weekly lesson. The sum of 18 lessons is spread over 6 months. Payment is made at the beginning of each month or semester. The lessons take place at the school's premises, Boulevard de Pérolles 10, 1700 Fribourg.

Payment formulas

There are two payment options: by instalments or by semester.

For the first formula, payments are made at the beginning of each month for instalments of 3 courses. (6x 3 lessons = subscription of 18 lessons; 6x 1,5 lessons = subscription of 9 lessons).

If the semester is paid in one payment, students with a subscription of 18 private lessons receive a discount.

The semesters are organised as follows:

1st semester: August - January

2nd semester: February - July
